Dear Heather,

Thank you for your kind letter of 3 May on behalf of Conservatives Abroad members.

It was a pleasure to welcome you to 10 Downing Street earlier this month to celebrate the passage of the Elections Act 2022 and the culmination of many decades of work by Conservatives from across our Party to secure the right to vote for all British citizens living overseas. I am delighted to be the Prime Minister who finally secured 'Votes for Life' – but I know that it would not have happened without your support and that of everyone in Conservatives Abroad.

I know that your hard work on behalf of our Party will not stop now, and I look forward to having your support at the next general election and beyond.

Many thanks again, and congratulations on everything you and your members have achieved.

Boris Johnson  
Prime Minister
